

Important Information

Please ensure goods are inspected immediately upon receipt

1. Check for external damage, confirming the tilt watch and/or shock watch (if used) have not been activated.
2. Check inside the box for any signs of product damage.
3. Take photographs.
4. Note any signs of damage on Bill of Lading

Claims for damage must be reported to the supplier within 3 days of receipt.

Failure to comply with the above will invalidate your rights claim.
